Notification

3. Maintenance Handbook

3.1 REMOS G3 and G3/600

The handbook is not updated. REMOS hereby defines:

All procedures defined in the maintenance handbook of the REMOS GX are valid for the REMOS G3 and G3/600 as well. For spare parts it is not acceptable to use GX parts, genuine G3 parts are required.

3.2 REMOS GX

The actual revision of the maintenance handbook is rev03. It is not required to update the aircraft's maintenance handbook, though it is recommended. The handbooks can be requested via service@remos.com.

4. Type Certificate Datasheet

3.1 REMOS G3 and G3/600

The current revision of the datasheet for US LSA is R05.

3.2 REMOS GX

The current revision of the datasheet for US LSA is R08.

The current revision of the datasheet for EASA PtF is R01.

5. Service and Maintenance Checklists

The current checklist for maintenance is R06.

The current checklist for annual condition inspection is R05.

**REMOS wishes you safe and fun flights!
Always check your aircraft before you fly!**
